

REMARKS

This amendment replaces the amendment received on April 24, 2005 that had a typo on every active claim – they were marked as “amended” rather than “new”.

The Applicant hereby explicitly reserves the right to present the canceled and modified claims for re-examination in their original format. The cancellation and modification of the pending claims to put the instant application in a final form for allowance and issue is not to be construed as a surrender of subject matters covered by the original claims before their modification or cancellation. The Applicant respectfully requests consideration of the present application as amended herewith.

Respectfully submitted,

Jeff S. Eder, Reg. No. 52,849
